

Take a Close Look...

Our Line Is **Bigger** And **Fuller** Than Ever!

Introducing **New Light Commercial Diffusers**

METAL-FAB INC.

GRILLES • REGISTERS • DIFFUSERS

Dare To Compare Metal-Fab With

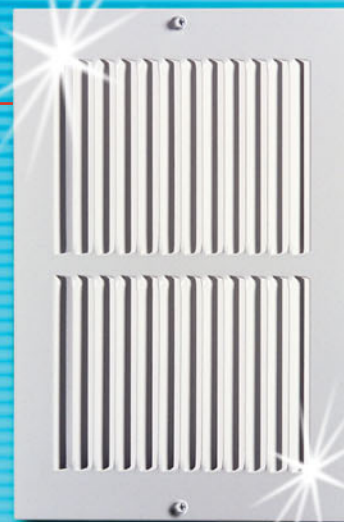

You may think of grilles and registers as a generic component of the ventilation systems you sell and install. But they are also the most visible representation of the type of quality workmanship your company provides on every job.

Metal-Fab grilles and registers give you an extra measure of quality that you can point out to your customers. Some of our best features aren't readily apparent, but you'll appreciate the benefits on every job.

Take a close look at what we have to offer, then compare it with the brand you're now using and we think you'll agree that grilles and registers are no longer just generic.

Best Quality

You can see the exceptional attention to detail and quality craftsmanship in every part.

Heavy Gauge Steel

Heavier gauge than needed, built for durability and long life in mind.

No Sharp Surface Edges

Just run your finger along the edge of the top plate and you'll find a smooth finished surface.

Hand Inspected

Every part is hand inspected for quality before it is packaged, no exceptions.

Any Other Brand On The Market...

Smooth Operation

Unwrap a Metal-Fab register and see how smooth and easy it operates thanks to details like the brass rivet at the hinge.

Powder-Coat Finish

Smooth, shiny, scratch-resistant, beautiful. Looks like it was just waxed.

Quality Packaging

Careful shrink wrapping with cardboard backing prevents damage in shipment. The pride shows through.

Sliding Flush Plastic Switch

Check our sidewall models and you'll find an attractive switch that's much more user friendly than old-style levers.

Our Value-Added Approach Is Apparent In Every Package, Every Shipment.

Conforms to Metal-Fab Specifications

We set high standards of design, production and finish on all our products. Our grilles and registers are a continuation of that ongoing commitment.

E-mail Acknowledgment & Tracking

You receive an e-mail acknowledgement, including ship date, within one hour of your order. Then, within three hours of shipment, we e-mail tracking information including scheduled delivery date.

Fastest Shipping in the Industry, 100% Order Fill

Stock items are available fast, every time!

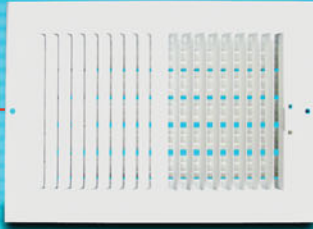

Intelligent Skid Documentation

Every order we ship is carefully shrink wrapped on a skid with a detailed skid sticker that corresponds with the shipping documentation. When it arrives at your dock, you know exactly what's on each skid so check-in and stocking is fast and easy.
